Transferring is Easy

NCC has articulation agreements with many colleges and universities in Iowa and neighboring states. You will need to contact the institution to which you are transferring credits to ensure transferability.

Students seeking accommodation for learning disabilities must provide documentation of and speak with Beth Frankenstein, Coordinator of Special Needs, bfrankenstein@nwicc.edu or 800-352-4907 ext. 242, Building A, Student Services Office. You are encouraged to take these steps as soon as possible.
