

Spanish High School Equivalency Diploma (HSED) and English as a Second Language (ESL) Programs

Are you or someone you know interested in obtaining your High School Equivalency Diploma (HSED) in your native language of Spanish, or in taking classes to improve your knowledge of the English language?

Northwest Iowa Community College's Adult Education and Literacy Department offers FREE orientations and 8-week term classes to equip you to take and pass your HSED test in Spanish! We also offer FREE orientations and 8-week term classes to practice and improve your English reading, writing, and speaking skills.

Students must sign up for and attend a scheduled orientation prior to beginning a class session.

Due to the structure of the classes, students are unable to begin the program in the middle of an 8-week term; however, they should call to sign up for one of the orientation sessions for the next term.

Call Norma Azpeitia in the Adult Education and Literacy Department office today for more information and to sign up for the next orientation session! (712) 324-5061 ext. 124.
