SCHOLARSHIPS AVAILABLE AT NORTHWEST IOWA COMMUNITY COLLEGE

Your education may be the smartest investment you ever make. What's your return on that investment? A good paying job. A successful career. Advanced degrees. Believing in yourself. Northwest Iowa Community College, Sheldon, IA, continues to be the most affordable option for education after high school in the area. At NCC, tuition and fees are kept reasonable. Financial aid and scholarships are available each year for hundreds of students. The bottom line? You'll get your money's worth at NCC without breaking the bank. So you'll be able to concentrate on what's really important - preparing for a bright future.

NCC is a smart choice, whether you want to start out here, (taking your general Arts & Sciences courses and then transferring to a 4-year college or university) or whether you want to enroll in one of our high-tech, high-skill career programs.

Lanaya Kannegieter, Biotechnology student, said, "The scholarships enabled me to go through college without taking out any students loans. The only expense I had was my books, which has been really helpful."

Over \$230,000 in scholarship money is made available to students each year through the Northwest Iowa Community College Foundation. Taking 10 minutes to fill out an application could be worth thousands so be sure to apply!

NCC Scholarships with April 1 deadlines include:

Academic Achievement Scholarship - Full tuition, available to **ANY** student in Lyon, Osceola, O'Brien, Sioux and part of Cherokee counties who is in the top 10% of their graduating class

This is a listing of general scholarships in which the deadline for application is April 1. For a complete listing of scholarships that are available please visit our website at www.nwicc.edu (you can apply online too). You can also find more information about a particular scholarship and how to apply by picking up a scholarship book at the Student Services office on the NCC campus or by calling 800-352-4907 or 324-5061. Please be aware that some scholarships require an essay or letter of recommendation; this supporting material must also be turned in by April 1 for you to be eligible. Please email studentservices@nwicc.edu or stop by the Foundation Office (room 127A) if you have any questions.

If you haven't been to NCC's campus, please call for a visit. You'll be amazed at all the technology found in our classrooms and labs that help our graduates find good jobs that pay well.
