Job Title: MAINTENANCE TECHNICIAN

Job Description: We are Mars Pet Care US – an internationally recognized leader in the pet food industry, manufacturing such well-known brands as Royal Canin, Nutro, Pedigree Food for Dogs, Whiskas Food for Cats and many more.

Known for the highest commitment to quality and for being an excellent place to work, we are seeking a Maintenance Technician at our North Sioux City, SD plant. We take pride in the superior quality of our products and operate with the highest standards of integrity in all aspects of our business

Requirements:

- Provide on shift plant-wide coverage for operations through the diagnosing, troubleshooting, and resolution of PLC and HMI systems related problems.
- Successful experience with troubleshooting process control systems consisting of PLC's, computers, RSView, hardware and software.
- Working knowledge of Electrical, 24 VDC up to 120 VAC controls, 480 power
- Supported all applications within a manufacturing environment
- A working knowledge of mechanics, pneumatics, hydraulics, welding, boilers, etc.
- Participated in a team environment to develop, install, and maintain equipment
- Worked daily with plant personnel to insure all requirements are met for plant efficiency and effectiveness
- Must be able to work any shift and overtime

Salary/Benefits: We offer an excellent compensation and benefits package, a place where your career can grow and where your contributions are rewarded. Mars Pet Care US is an equal opportunity employer. (M/F/D/V)

Application Procedure: Interested candidates who meet these specifications should apply at:

Workforce Development Center
2508 4th Street
Sioux City, IA 51101
