Job Title: MAINTENANCE POSITIONS

Description: **Industrial Maintenance Electrical & Instrumentation Technician:** Successful applicants must possess skills in the electrical/control area to include a working knowledge of 480 three (3) phase motor control wiring and an understanding of Programmable Logic Controllers (PLCs) and Distributive Control Systems (DCS). A background in instrumentation and process control is a must. Knowledge of medium voltage distribution would be beneficial. The successful candidate must pass the E/C exam or be within 8 points of the NCCER passing score. Starting pay for this position is \$19.70 per hour with earning potential up to \$24.04 per hour.

Industrial Maintenance Mechanic/Pipefitting: Successful applicants must possess mechanical aptitude and be motivated to find, repair and prevent mechanical problems in a demanding performance/results oriented environment. Areas of experience should include liquid pumps (single/multi-stage centrifugal/positive displacement), air fans, vacuum systems, mechanical/pneumatic conveying systems, reducers and gear drives, high-speed rotary equipment, steam generation systems, and packaging equipment. The successful candidate must pass one or both Mechanic and Pipefitting exams, or be within 8 points of the NCCER passing score. Starting pay for this position is \$18.76 per hour with earning potential up to \$20.43 per hour.

Essential functions include, but are not limited to, the ability to perform the following:

- Work a rotating swing shift in a continuous 7-by-24 production environment
- Climb stairs and ladders; lift, pull & push weights of 50 lbs. or more
- Work in temperatures up to 100 degrees with 95% humidity
- Read, interpret & perform instructions; use judgment and deductive reasoning; analyze computer generated inputs and outputs; interpret charts, gauges, dials, digital LCD readouts, etc.

High School Diploma or equivalent experience is required. Applicants offered employment will be required to submit to, and pass, a post offer pre-employment physical and drug/alcohol screen.
