Job Title: APPRENTICE ELECTRICIAN or CERTIFIED ELECTRICIAN

Job Description: Work with other electricians installing conduit, wiring devices, and equipment in residential, commercial, and industrial buildings. Applicants must be willing to work in large grain elevators and refinery plants. Be willing to work on top of grain legs, bins and other high areas. Must be able to lift up to 50 pounds and at times over 50 pounds. Is willing to be part of a team oriented business and able to work well with others. Has the ability to think outside of the box and a common understanding of agricultural equipment. Must have own hand tools. Normal work hours are: Monday-Friday, 7:00-3:30. Some work duties include: directional boring, trenching, running conduit, and overhead wiring. Zoske Electric involves itself in a wide variety of jobs and at times does sub-contracting with utility companies.

Salary/Benefits: \$15.00/hour, Dependent on experience

Application Procedure: For more information on application procedure please contact Mark Wibholm at phone number or email address listed above.
